The line graph below shows changes in the amount and type of fast food consumed by Australian teenagers from 1975 to 2000.

Summarize the information by selecting and reporting the main features and make comparisons where relevant. Write at least 150 words.

Type your answer below

The graph compares ~~the various amount and type of fast food consumed by young people~~ the various amounts and types of fast food which Australian teenagers consumed ~~who live in Austrailia~~ over a period of 25 years.

It is evident that~~,~~ (no comma needed here) the consumption of pizza and hamburgers had risen by the end of the period, while fish and chips had become the least popular fast food in 2000.

In 1975, Austra~~i~~lian teenagers ate fish and chips 100 times ~~100 times fish and chips~~, whereas the figure for hamburgers and pizza were lower at nearly 15 times and ~~less than~~ just under10 times, respectively. Consumption of fish and chips fell by 15 times before rising to nearly 95 in 1985. By contrast, between 1975 and 1985, the number of times which hamburgers and pizza were eaten, rose rapidly to 85 and 30 ,respectively.

Over the next 15 years, the amount of fish and chips consumed fell behind ~~those of~~ that of hamburgers ~~and pizza to 40~~. However, the consumption of hamburgers rose to 100 times in 1995 and stayed at this level until the end of the period. The consumption of pizza rose to nearly 85 in 1995 ~~followed by~~ after which it remained stable until the end the period.

TASK 2

In some countries more and more people are becoming interested in finding out about the history of the house or building they live in.

What are the reasons for this? How can people research this?

Type your answer below

In recent years, a growing number of people in some countries are investigating ~~about~~ the background of the house they reside in. I believe finding out about the place you live in can be very interesting. In this essay, I would like to identify the reasons behind this issue and propose some ways to help them research it.

There are many ~~factors~~ reasons that people may want to better know the place they accommodate. First, it can be out of curiosity people obtain~~ed~~ from movie theaters these days. As portrayed in the movies, there can be many hidden places in the house where one can find many valuable and precious items, thus people are getting more interested to research about the house. ~~Further~~ furthermore, some might want to ~~get~~ acquire some information to help them carefully renovate the

house. These days many houses and buildings need repairing and renovation, and for this ~~you have to know~~ it is highly recommended to obtain every useful piece of information from the place you live in, in order not to damage ~~the~~ ~~there~~ it~~.~~

There are many available and helpful resources which can help ~~them~~ people, who wish to know about the background of their accommodation achieve what they want. In the first place, they can use the internet. Is there really anything one is not able to find ~~in~~ on the internet? Today people can simply google whatever they are looking for to ~~get~~ obtain the most relative answers in just a few seconds. Additionally, they can visit the library or city hall of their town to ask ~~them~~ authorities about the backgrounds of the house or building they live in, as they ~~archieve~~ archive all the blueprints and information~~s~~ of different ~~neibourhoods~~ neighborhoods ~~in~~ on their database.

To sum up, there are many reasons why people are getting more interested in ~~their palces' history~~ the history of their place of residence . They can also find ~~these informations~~ this information using different resources such as the internet and the library or the city hall.
